Sunday, January 11th
Starting at 9:30 AM and 5:30 PM

How to Play Bingo Group Pull

- Purchase one qualifying \$20 electronic Bingo Group Pull pack, includes 6 cards for each qualifying group pull game.
- May purchase one additional \$10 electronic Bingo Group Pull pack including 6 cards for each qualifying group pull game. (must purchase a \$20 pack to be eligible to buy one \$10 pack) Maximum cards per player is 12.
- Bingo Group Pull E-packs are available to purchase at either the buy-in window or Bingo Player stations.
- Qualifying games will be played until there are 20 winners. (It is possible that up to 24 players will qualify if there are multiple winners on the final qualifying game.)
- Players can WIN just ONE entry into the Bingo Group Pull. In the event a player has multiple winning cards on one game the player will receive one entry into the group pull plus \$25 Slot Free play for each additional winning card.
- If there are 5 or fewer winners on any qualifying game each player will win entry into the group pull.
- A qualifying game with more than 5 winners will NOT count as a qualifying game. Each of the winners on the non-qualifying game will receive a consolation prize of \$25 Slot Free play instead of entry to the Bingo Group pull. These winners may qualify on another group pull game.
- Once a player wins bingo and their card is verified, that player will LOG OFF the Bingo player station! And go directly to the Non-Smoking Slot Room!
- All eligible Bingo Group pull winners will spin the reels 15 times at \$15 per spin on the "Triple Fortune Dragon Unleashed"
- Once the last player has made their final spin the total winnings from all spins, including jackpots will be split equally among all players. If the total win per player, after the split is over \$1,999 then all players will receive a W2-G.
- Prize-Guaranteed \$4,000 Split! Or \$200 per player! (whichever is greater!)
