Lucky Star Jackpot

Game Rules

Player must be carded-in at time of jackpot win to qualify for this bonus round.

Applies to jackpots of $2,000 or more won between November 27th 7AM - November 28th 7AM only.

All Lucky Star Jackpot players will play against the same ball call set, to be drawn the morning of November 27th at 7AM.

The ball call set will contain 5 randomly drawn balls from each B-I-N-G-O row, for a total of 25 drawn balls.

At the start of play, the player will be given digital 4 bingo ticket cards on-screen. Select any 1 ticket card to open all and begin the bonus round!

All ticket cards will contain 5 random numbers, 1 from each B-I-N-G-O row plus 1 of 2 bonus icons, below:
1. 2x multiplier- Doubles the payout of that card.
2. Lucky Star- The **first** played ticket card with 5 daubed numbers and a Lucky Star symbol pays out $5,000!

Each bonus round pays out the best card played, one time.

$5,000 top prize may only be won once. After top prize is won, all ticket cards with 5 daubed numbers and a Lucky Star icon pay out $500.
